PROSPECTUS FOR THE SECOND VOLUME OF THE

# CHRISTIAN MESSENGER.

IN presenting proposals for the 2d Vol. of the Messenger few observations will be necessary in explanation of its objects, and those few cannot, perhaps, be better expressed than in the language of the prospectus for the first volume. "Its primary design is to 'plead the cause' of a slandered and persecuted denomination of Christians, (the Universalists)—to illustrate and enforce their principles, and defend firmly, though as far as possible, with christian candor, their doctrine from the opprobrium which even professing christians endeavor, too readily, to fasten upon it; and in thus defending its own, it will advocate the civil and religious rights of all. Professing a sentiment which recognizes the Almighty as our common Father, and mankind as brethren indeed, it can know no exclusive privileges. Whatever it may ask for itself, it asks for ALL."

The importance of sustaining the Paper here, to the cause in which it is engaged, need not be urged, either to friends in the city or country, and the publisher appeals to them, without hesitation, for their support and interest in its behalf—for their active co-operation in extending its circulation, by communicating with those of their friends on the subject, who are known to be friendly. Those inclined to patronize it will please signify their intentions as early as possible.

TERMS.—The Messenger is published every Saturday, at 85 1-2 Bowery, on a royal sheet, quarto form, close print, at *Two Dollars* per annum, in advance, or *Two Dollars* and *Fifty Cents* if not paid within six months from time of subscribing. Letters to be addressed, post paid, "P. Price, 85 1-2 Bowery, New-York." P. PRICE, PUBLISHER.

NEW-YORK, OCT. 1832.
